1. Corporate Profile & Strategic Statement

Bek Suppliers Ltd was established and incorporated in **2010** in Mombasa, Kenya, for the purpose of engaging in the business of general supplies including but not limited to industrial equipment, marine machinery, port crane components, telecommunication systems, technical spare parts, and public procurement. Over the past 15+ years, Bek Suppliers Ltd has earned high distinction as the premier marine equipment and technical spares partner for **Kenya Ports Authority (K.P.A)** and regional industrial leaders.

As a vetted, full-service East African procurement powerhouse, we bridge international manufacturers, OEMs, and overseas suppliers directly to government parastatals, marine ports, energy grids, and private industrial conglomerates.

OUR MISSION

Developing and maintaining lasting partnerships taking into account that there is no one more important than the partner in front of you at the moment. We value professional, courteous, fast, and personalized service.

OUR CORE PRINCIPLE

Trust and openness remain our guiding principle of corporate culture. Uncompromising integrity, technical precision, speed of execution, and strict regulatory compliance.
